

Name Family

☆ D.O.B. 1/5/1982

♀ female

🕒 39;9 Years

🎓 Education level 5

COGBAT-S1

Cognitive Basic Assessment

📅 Date 10/26/2021 .. 10/26/2021

🕒 Start of testing 6:49 PM

🕒 Duration 49 min.

🌐 Language of test presentation English (USA)

COGBAT index

Representative Norms

Degree of cognitive impairment	Raw score	PR
🟡🟡🟢 No impaired cognitive ability	-0.74	39

Note(s): Percentile rank (PR) results from a comparison with the sample 'Representative Norms'.

On the basis of the COGBAT index, the following verbalizations are issued: No impaired cognitive ability (PR ≥ 25), possibility of impaired cognitive ability (PR 16 - 24), or impaired cognitive ability (PR ≤ 15).

Test results

Representative Norms

Test variable		Raw score	PR	
🔴🟡🟢 Attention		-1.94	5	
	Alertness	WAFa – Mean reaction time, intrinsic	317.03 ²	5
	Divided attention	WAFG – Mean reaction time, cross-modal	600.00 ^{1,2}	30
🟡🟡🟢 Memory		2.50	68	
	Learning ability	FGT - Learning total	31	52
	Short-term delayed recall	FGT - Delayed free reproduction I	9	84
	Long-term delayed recall	FGT - Delayed free reproduction II	9	86
	Recognition	FGT - Recognition hits	17	61
🟡🟡🟢 Executive Functions		-0.25	36	
	Cognitive flexibility	TMT – Working time part B	32.36 ³	42
	Planning ability	TOL - Planning ability	12	16
	Verbal working memory	NBV - Number correct	14	63

Additional information

	Response Inhibition	INHIB - Number of commission errors	4	48
--	---------------------	-------------------------------------	---	----
